

Agboola Anuoluwapo David

Data Analyst · Tech Educator · IT Professional

+234 813 627 5579 | agboolaanouluwapo@gmail.com | Abuja, Nigeria | github.com/Yahwehboi | yahwehboi.github.io

PROFESSIONAL SUMMARY

Versatile and driven Computer Science graduate (Second Class Upper) with cross-functional experience spanning data analysis, IT operations, digital content, and technology education. Certified in Microsoft Excel (Advanced), CompTIA IT Fundamentals, and trained in SQL, Python, Power BI, and Tableau. Proven ability to gather, clean, and interpret data to support decision-making, as well as communicate technical concepts clearly to both technical and non-technical audiences. Completed one year of national service as Technical Staff at the National Broadcasting Commission (NBC), South East. Seeking to contribute analytical, technical, and problem-solving capabilities within a forward-thinking organisation as a data analyst, IT officer, or graduate trainee.

CORE COMPETENCIES

Data Analysis & Reporting	SQL & Database Querying	Python (Pandas, NumPy)
Power BI & Tableau Dashboards	Advanced Microsoft Excel	Data Cleaning & Wrangling
IT Support & Hardware Maintenance	Web Development (HTML/CSS/JS)	Content & CMS Management
Technical Training & Instruction	Report Writing & Documentation	Cross-functional Communication

WORK EXPERIENCE

Technical Staff (NYSC Corper)

Dec 2023 – Nov 2024

National Broadcasting Commission (NBC) — South East Zonal Office · Enugu State

- Provided technical support for broadcasting operations across the South East zonal region, ensuring consistent system uptime and equipment reliability.
- Assisted in monitoring compliance of broadcast stations with NBC regulatory standards, compiling data reports submitted to zonal management.
- Maintained and troubleshoot IT hardware and software systems, reducing equipment downtime and supporting uninterrupted operations.
- Participated in the SDG-focused CDS programme, coordinating data collection and reporting for community development initiatives.

Coding & Programming Instructor

Nov 2024 – Present

Verse X Global · Enugu State

- Delivered structured coding lessons in Python, web development, and programming fundamentals to students of varying skill levels.
- Designed course materials and practical exercises that improved student comprehension and hands-on proficiency.
- Mentored learners through project-based assignments, building their confidence in applying technical concepts to real-world problems.

Computer Science Teacher

2024 – 2025

Fountain College & Divine Love Secondary School · Enugu State

- Taught computer appreciation, ICT fundamentals, and introductory programming to secondary school students across two institutions.

- Developed lesson plans aligned with the national curriculum, improving students' digital literacy and practical computing skills.

Social Media Manager / Content Creator

2022

Digital Factorie · Remote

- Managed social media presence and content calendar across multiple platforms, driving consistent audience engagement.
- Created and edited digital content (graphics, copy, video) using Canva, CorelDraw, and video editing tools.
- Analysed post performance metrics to inform content strategy and optimise reach.

IT Attachment — Networking & Maintenance

Sep 2022 (6 months)

Federal Medical Centre · Gombe State

- Supported the ICT unit with network setup, maintenance, and troubleshooting across the hospital's infrastructure.
- Assisted in hardware maintenance and documented recurring technical faults to support preventive maintenance planning.

EDUCATION

B.Sc. Computer Science — Second Class Upper (2:1)

2018 – 2023

Federal University of Kashere, Gombe State

Coursework: Algorithms, Database Management Systems, Software Engineering, Statistics & Data Analysis, Computer Networks, Artificial Intelligence.

Senior Secondary School Certificate (SSCE / NECO)

2013 – 2016

Baptist High School, Iree, Osun State

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

CompTIA IT Fundamentals (FC0-U61)	ACI Learning	Feb 2025
Certificate of National Service	NYSC	Oct 2024
Advanced Certificate in Microsoft Excel	Udemy	Feb 2023
Sustainable Development Goals (SDG) Certificate	NYSC / CDS	Oct 2023
Nigerian Association of Computing Students — Membership	NACOS	Aug 2023
Content Management, Entrepreneurship & Digital Freelance	Athen Technology	Jul 2021

TECHNICAL SKILLS

Data & Analytics	SQL, Python (Pandas, NumPy, Matplotlib), Power BI, Tableau, Advanced Excel
Web Development	HTML5, CSS3, JavaScript, WordPress (CMS)
IT & Networking	CompTIA IT Fundamentals, Hardware Maintenance, Network Setup & Troubleshooting
Design & Content	CorelDraw, Canva, Video Editing, Social Media Management
Productivity Suite	Microsoft Word, Excel, PowerPoint, Google Workspace
Developer Tools	Git / GitHub, VS Code, Jupyter Notebook
